Brief Description of the Drawings

Page 4, lines 27-28:

The invention is illustrated below using the following examples, and the accompanying drawing figures, in which:

FIG. 1 is a graph showing the ratio of organic matter to total mass for a coral sample treated according to the invention, and two comparative samples;

FIG. 2 is a graph showing the ratio of residual protein to total mass for a coral sample treated according to the invention, and two comparative samples; and

FIG. 3 is a graph of proliferation of bone cells vs. time on a coral sample treated according to the invention, and comparative samples.
